THE FOREGOING LIMITATION SHALL APPLY EVEN IF CANON PRODUCTION PRINTING SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR OF ANY CLAIM BY ANY OTHER PARTY.

11. GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by, interpreted and construed in accordance with the law of the country where your Canon sales company is incorporated, excluding that body of law known as conflicts of law and the United Nations Convention on Contracts for the International Sale of Goods. Any claims or disputes arising out of or in connection with this Agreement shall be exclusively settled by the Competent Court in the country where your Canon sales company is incorporated.

A "claim" or "dispute" means any dispute, action, or other controversy between you and your Canon sales company or its supplier concerning the APP or this Agreement, whether in contract, warranty, tort or law.

If you and your Canon sales company or its supplier do not resolve any claim or dispute by informal negotiation or in the Competent Court, any other effort to resolve the dispute will be conducted exclusively by binding arbitration before a neutral arbitrator of the International Chamber of Commerce in Paris, France, whose decision will be final under the ICC Arbitration Rules. You are giving up the right to litigate (or participate in as a party or class member) all claims and disputes in court before a judge or jury.

This Agreement describes certain rights. You may have other rights under the laws of your state or country. You may also have rights with respect to the party (the Canon sales company or its suppliers) from who you acquired the APP. This Agreement does not change those other rights if the laws of your state or country do not permit to do so.

12. ENTIRE AGREEMENT; AMENDMENT

You acknowledge that this Agreement constitutes the entire agreement between you and Canon Production Printing pertaining to the subject matter hereof and supersedes in its entirety any and all written or oral agreements previously ensuing between you and Canon Production Printing with respect to such subject matter. YOU AGREE THAT NO TERMS OR CONDITIONS CONTAINED IN ANY PURCHASE ORDER OR OTHER ORDERING DOCUMENT SHALL HAVE BINDING EFFECTS ON CANON PRODUCTION PRINTING OR MODIFY THIS AGREEMENT IN ANY WAY. No modification of this Agreement shall be enforceable against Canon Production Printing unless Canon Production Printing gives it express approval in writing, signed by an authorized representative of Canon Production Printing.

13. SEVERABILITY

If any provision of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal or unenforceable, then the parties hereby instruct such court to amend such provision to the minimum extent necessary to make it valid, legal and enforceable and, in the event such court is unwilling or unable to do so, such provision shall be severed from this Agreement. In any and all events the remaining provisions of this Agreement shall remain in full force and effect.

14. U.S. GOVERNMENT RIGHTS

The parties acknowledge and agree that the APP may be "commercial computer software", as that term is defined in the Federal Acquisition Regulations ("FAR") and, therefore, that the U.S. Government is subject to sections 12.211 and 12.212 thereof and its use, duplication and disclosure of the SDK is governed by, and subject to, this Agreement. If, for any reason, such sections are not applicable, the parties hereby acknowledge and agree that the U.S. Government shall have "restricted rights" as defined in FAR sections 52.227-19(c) or DFARs sections 252.227-7013(c), as applicable.

15. WAIVER

You may not assign or transfer your rights or obligations granted in this Agreement by operation of law or otherwise, without the prior written approval of Canon Production Printing. Canon Production Printing may assign its rights or obligations to other parties without your approval.
